

UNLOCKING VALUE THROUGH DISCOVERIES

Vior Gold Corporation is a Québec-focused gold exploration company advancing two district-scale, multi-target projects — Ligneris and Kinebik — in the heart of the Abitibi Greenstone Belt, one of the world's premier gold-mining jurisdictions. Backed by a management and technical team with a proven track record of multi-million-ounce discoveries in Québec (Eleonore, Windfall), and fully funded by strategic partners including Gold Fields, FSTQ, SİDEX and Investissement Québec.

OUR OBJECTIVE: DISCOVER 3 TO 5 MILLION OUNCES OF GOLD

Through systematic, district-scale exploration of highly prospective structural corridors at Ligneris, Kinebik and other projects.

LIGNERIS PROJECT 50 km NO of Amos, Québec 1,023 claims · 53,010 ha · >40 km of fertile felsic volcanic belt Highlights — Orogenic Au and gold-rich, VMS-related polymetallic showings (Bousquet–LaRonde style), untested at depth and along strike. — Multiple new gold drilling targets identified; close to infrastructure. — Recent results: LI-26-002: 35.2 g/t Au / 3.0 m LI-26-010 EXT : 7.94 g/t Au / 4.0m LI-26-005: 5.64 g/t Au / 4.0 m LI-26-038: 5.64 g/t Au / 4.9 m — Current 30,000 m drill program. 	KINEBIK PROJECT 40 km NE of Lebel-sur-Quévillon, Québec 1,248 claims · 73,772 ha · 50 km along the Casa Berardi, Cameron Break Highlights — Same structural corridor as multiple multi-million-ounce deposits (Casa Berardi, Windfall, Nelligan, Douay). — Orogenic Au, gold in felsic intrusions, and gold-bearing iron formation. — Multiple new and follow-up drilling targets identified. — Current 15,000 m drill program.

Forward-Looking Statements

This summary contains "forward-looking information" within the meaning of the applicable Canadian securities legislation that is based on expectations, estimates, projections, and interpretations as at the date of this news release. Forward-looking statements include, but are not limited to, statements with respect to the closing of the Transaction, the ability to obtain the required approvals of the TSX Venture Exchange, the significance of the Corporation's expansion of the Ligneris district, the Corporation's planned exploration activities and long-term objectives, the potential of the Kinebik, Peacock and Launay properties, the ability of exploration (including drilling) to accurately predict mineralization, production being achieved at any of the Corporation's properties, the significance of previous exploration results at the Kinebik, Peacock and Launay properties, and the Corporation's ability to deliver returns to its shareholders and long-term benefits to its stakeholders. Any statement that involves discussions with respect to predictions, expectations, interpretations, beliefs, plans, projections, objectives, assumptions, future events or performance (often but not always using phrases such as "expects", or "does not expect", "is expected", "interpreted", "management's view", "anticipates" or "does not anticipate", "plans", "budget", "scheduled", "forecasts", "estimates", "believes" or "intends" or variations of such words and phrases or stating that certain actions, events or results "may" or "could", "would", "might" or "will" be taken to occur or be achieved) are not statements of historical fact and may be forward-looking information and are intended to identify forward-looking information. This forward-looking information is based on reasonable assumptions and estimates of management of the Corporation, at the time it was made, involves known and unknown risks, uncertainties and other factors which may cause the actual results, performance or achievements of the companies to be materially different from any future results, performance or achievements expressed or implied by such forward-looking information. Although the forward-looking information contained in this news release is based upon what management believes, or believed at the time, to be reasonable assumptions, the parties cannot assure shareholders and prospective purchasers of securities that actual results will be consistent with such forward-looking information, as there may be other factors that cause results not to be as anticipated, estimated or intended, and neither the Corporation nor any other person assumes responsibility for the accuracy and completeness of any such forward-looking information. The Corporation does not undertake, and assumes no obligation, to update or revise any such forward-looking statements or forward-looking information contained herein to reflect new events or circumstances, except as may be required by law.
